**BUSCH SYSTEMS**  
Recycling Made Simple

Busch Systems manufactures the world's largest, most complete line of recycling, waste and compost containers. As part of our commitment to the community and the environment, we engineer our containers to use less natural resources and to ship far more effectively, thereby avoiding large volumes of carbon emissions. All of our products contain recycled content, are 100% recyclable and are proudly made in North America.

## CUSTOMIZATION

Custom colors, decals, wraps or labels.

## SIGNAGE

Adding signage to your containers helps educate participants and eliminate contamination.

## RECYCLED CONTENT

All of our products contain recycled content, are 100% recyclable and are proudly made in North America.
